

MY PLEDGE TO ACTION CARD

(adapted from What's Race Got to Do With It?)

I pledge to take the following steps to be actively anti-racist:

What do I want to learn more about?

For example, I want to learn more about Bill-21.

-

What do I need to re-examine and reflect on?

For example, I need to reflect and confront my White privilege.

What actions do I pledge in order to make a change?

For example, I pledge to build relationships and support anti-racism initiatives.
