**REAL CHANGE FACILITATION GUIDE** 

## MY PLEDGE TO ACTION CARD

(adapted from What's Race Got to Do With It?)

## I pledge to take the following steps to be actively anti-racist:

## What do I want to learn more about?

For example, I want to learn more about Bill-21.

## What do I need to re-examine and reflect on?

For example, I need to reflect and confront my White privilege.

For example, I pledge to build relationships and support anti-racism initiatives.
